

The logo for New Reinsurance Company Ltd. (NewRe) features the text "new/re" in a blue, sans-serif font. The "new" is in a larger font size than the "re", and a blue diagonal slash separates the two words.An illustration of a Dalmatian dog and its puppy. The adult dog is on the left, and the puppy is on the right. They are both white with black spots. The puppy is standing on a pile of black spots. The text "* tailor-made" is written in a yellow, italicized font in the upper right corner of the illustration area.

** tailor-made*

Assistant Underwriter – Non-life treaty reinsurance (Internship July-December 2018)

New Reinsurance Company Ltd. (NewRe) is a Swiss reinsurer, founded in Zurich in 1926. In 1988, NewRe became part of Munich Re Group. What makes NewRe a preferred reinsurer is our determination to find appropriate reinsurance solutions for our clients, coupled with thorough market know-how and swift response times.

You will join the Casualty Underwriting department (Motor and Liability business), made up of 7 Underwriters involved in European business.

Place of work

Zurich

Your responsibilities

- Intensive support to the Underwriters
- Provide administrative support
- Cooperate with the Pricing department (incl. involvement in the pricing process)
- Check wordings according to internal guidelines

Your profile

- University degree or equivalent business school education (or currently in education)
- Good analytical skills and a flair for numbers
- Working knowledge of data analysis and numbers (ideally some experience in the insurance industry)
- Proactive, service-oriented, flexible and solution-oriented
- Meticulous and organised
- Highly motivated with an ability to work in an international environment
- Familiar with Microsoft Office (especially Excel)
- Fluent in English (additional languages such as German or French would be a plus)

Our common benefits

NewRe stands for intelligent reinsurance solutions. We serve our clients responsively - with open minds and a refreshing attitude. Our employees are our key asset. We love challenges and flexibly bundle our skills, experience and personalities to deliver outstanding results. Being part of the Munich Re Group, the leading international risk carrier in the field of reinsurance, we combine financial strength with the efficiency and creativity of a medium-sized reinsurer. Excellent opportunities providing you with the scope to realise your full potential await. We look forward to receiving your application, which you should send to:
